

## Sassoon Hospital endoscopy unit opens

*Pune:* An endoscopy unit, along with a waiting area, was inaugurated at Sassoon Hospital by Divisional Commissioner Chandrakant Dalvi at a function held in Pune on Tuesday. "Government hospitals like Sassoon General Hospital have, with the help of social groups, corporate houses and government funds, brought advanced medical treatment to the poor and needy. NGOs like Mukul Madhav Foundation make these services more efficient," said Dalvi. The newly-inaugurated unit was funded and donated by Mukul Madhav Foundation — the corporate social responsibility partner of Finolex industries. The unit and the waiting area were set up in the memory of Mohini and Pralhad Chhabria. Dr Ajay Chandanwale, Dean of Sassoon Hospital, Ritu Prakash Chhabria, founder and director of Mukul Madhav Foundation, among others were present at the event.
