Subject:- Heartfelt Gratitude for the Renovation and Revival of The Well
at Special Central Jail, Shyalawas, Dausa.

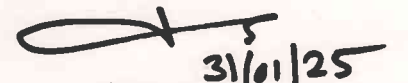

On behalf of the Jail Department Rajasthan , we extend our deepest gratitude to Mukul Madhav Foundation (MMF), in partnership with Finolex Industries Limited (FIL), for your generous support in the renovation and revival of the well at Special Central Jail, Shyalawas (District Dausa) Rajasthan.

Your initiative has significantly contributed to ensuring a sustainable water supply for approximately 550 inmates and staff members, which will transform their living conditions. By facilitating access to clean water, this project will improve hygiene standards, promote tree plantation, and foster a greener, more sustainable environment.

Previously dependent on tanker water at a high cost , this project has created a self-sustainable, profound and independent resource not only by addressing immediate water needs but also by enabling afforestation and beautification, thereby fostering a positive and rehabilitative environment for the Prison fraternity.

We sincerely appreciate your commitment to community welfare and sustainable development, and look forward to your continued partnership to create a meaningful and a transformative change.

With warm regards,
